

The diagram shows a rectangular layout with a red border representing the final cut size. Inside, there are two vertical green lines representing fold lines and a horizontal blue line representing the safety line. A horizontal black arrow points from the blue line to the left and right edges. Two diagonal black arrows point from the red line towards the top corners. The text explains the purpose of each line: the red line is the cut line, the blue line is the safety line, and the green lines are the fold lines. Dimensions for finished size and with bleed are provided.

RED LINE IS THE CUT LINE

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

FINISHED SIZE- 4.75X4.75

WITH BLEED- 4.875X12.375

GREEN LINES ARE THE FOLD LINES

THIS IS WHERE THE JOB WILL
BE FOLDED
